October 9.1952

A special meeting of the Elkton Town Councilm meet in the council room on Oct.9.1952 at eight Oclock, with the Mayor R.K.Robington presiding and the following councilmen present, Hiram Monger; Carl Brill; W.F.Bruce; H.S.Hensley; Ed.Garber and E.L.Hensley.

H.A.Workman was present in regard to ask to have some grading done in front of his place in order of keeping the water from running through his front yard, the matter was left in the hand of the street committee to take care of.

Joe Black was present to make complaint in regard to a water drain down by his place. the council ordered the same taken care of.

A request of Father McGovern was presented tothe Council where in he asked about some grading and water drainage on and near the place where they expect to build. It was so moved and seconded to have our town Attorney to notify him that in the future the Town may want to annex that section and then they would like to extend Spring Street to route no.12. Brill so moved and Bruce seconded and carried to allow them to grade Marshall and 7th Streets and take care of the water drainage at their expense if done according to the councils approval.

Garber so moved and Bruce seconded and carried to make a request to the State Highway Department asking them to make a survey in regard to the cost of a walkway bridge across the elk run creek on route 12 along side of the present road bridgetoxtakexcarexofxpedesterianxxwhichxisxneededxveryxbadley.which is needed very badley to take care of pedesterians traffic.

Monger so moved and Brill seconded that we make an Official request of Mr W.Frank Smith Urban Engr. of the Va. Department of Highways asking if they could give us the width of rightof way of Rockingham Street through the Town of Elkton.

H.S.Hensley Moved and E.L.Hensley seconded that John Muterspaugh be appointed foreman of the work of the Town Of Elkton subject to the chairman of the different committees.

John was ordered to renew the fence around the reservoir as soon as possible.

It was so moved to give $25.00 to Religious Education .

Brill moved and H.S.Hensley seconded and passed that we set aside and put in the bank on separate account the Light,Water and Taxes delinquent collections along with $400.00 per month for emergency expenses in the future.

No further business we had a motion to adjourn.

Recorder H.T. Firey

Approved.

R.K. Babington

Mayor.
