Special Meeting
March 26, 1969

A special meeting of the Elkton Town Council was held March 26, 1969 at 8:00 p.m. in the council chambers with the Mayor, Welty H. Hensley presiding. The following council members were present: Mr. I. L. Flory 111, Mr. E. F. Garber, Mr. R. G. Harman, Mr. E. O. Karow, Mr. A. R. Thompson and Mr. H. A. Workman. Mr. David C. Liskey, Town Superintendent, was present.

Mr. E. F. Garber opened the meeting with prayer.

Mayor Hensley explained that it was necessary to have the meeting to discuss the rejecting of the State Highway Department's proposal in regards to the proposed two inch water line and the town's main from the reservoir on Project 6033-082-106, C-501 and to decide if the council wants to rescind the motion in regards to rejecting the proposal.

There was considerable discussion on this problem and the minutes of the special meeting held March 21, 1969 were read in order to bring Mr. Workman up to date, as he was unable to attend that meeting.

Mr. I. L. Flory 111 moved, seconded by Mr. E. F. Garber to rescind the motion which was made March 6, 1969 at a special meeting to reject the proposal by the Highway Department.

Mr. E. O. Karow called for the vote to be taken by ayes and nays and recorded.

Mr. I. L. Flory 111.....aye
Mr. E. F. Garber.....aye
Mr. R. G. Harman.....nay
Mr. E. O. Karow.....abstain
Mr. A. R. Thompson.....aye
Mr. H. A. Workman.....nay

It was the general opinion of the council that there was nothing else to do but offer an alternate proposal to the State as the motion to rescind the rejection of the State's proposal did not pass.

Mr. H. A. Workman moved, seconded by Mr. I. L. Flory 111 to request that the Virginia Department of Highways construct a two inch steel pipe from the present eight inch main to the Earl Clark property on the South side of proposed Route 33. This two inch line would eliminate the present three crossings and would also eliminate the proposed two inch crossing and encasement that the Virginia Department of Highways now has on their plans. The town's proposed line should cost the Virginia Department of Highways less money.

Mr. E. O. Karow called for the vote to be taken by ayes and nays and recorded.

Mr. I. L. Flory,111.....aye
Mr. E. F. Garber.....aye
Mr. R. G. Harman.....aye
Mr. E. O. Karow.....abstain
Mr. A. R. Thompson.....aye
Mr. H. A. Workman.....aye

As there was no further business, Mr. I. L. Flory 111 moved, seconded by Mr. R. G. Harman and carried to adjourn.
