PUBLIC
"PROPOSED USE"
HEARING
November 27, 1979

A Public Proposed Use Hearing on Revenue Sharing Entitlement Period 11, in the amount of $17,520.00, was held Tuesday, November 27, 1979 at 7:30 P.M. in the council chambers.

Mayor Dean presided over the public hearing.

The following councilmembers were present: R. R. Dean, S. P. H. Flick, B. B. Holt, and L. C. Life. Norma R. Leap, Clerk was also present.

Citizens present were: Ruth Brooks, Chris Davis, Fred Davis, Nancy Hulings and Tim Hulings. Patty Smith of the Valley Banner was also present.

The following suggestions were made for use of the revenue sharing monies:

> Mr. Fred Davis felt if it could be used for sidewalks, part of it should be. He citied the sidewalk on East Rockingham Street as being in very bad condition. He also felt too much revenue sharing monies go to the Public Safety Department.
>
> Mrs. Ruth Brooks still feels the money should be used toward storm water. She asked if anything has been done regarding the storm water problem and if not does council intend to do anything.

Several areas of complaints, not relating to revenue sharing, were the water leak at the intersection of E. Rockingham Street and Stuart Avenue. This has been leaking quite awhile and could present a hazard if the weather turns cold and the water freezes. Another complaint was the condition of the road on West Spotswood Avenue.

As there were no further suggestions, the public hearing was adjourned at 7:55 P.M.
