PUBLIC HEARING
January 10, 1983

A Public Hearing was held January 10, 1983 at 7:30 P.M. in the council chambers with the Mayor Charles E. Dean presiding. The following council members were present: R. E. Davis, S. P. H. Flick, B. B. Holt, T. G. Hulings and R. L. Snow. Norma Leap, Clerk and Gerald Monger, Superintendent were also present.

The purpose of the Public Hearing was to give town residents the opportunity to make oral and written suggestions regarding the following proposed revenue sharing budgets:

Revenue Sharing Budget EP-14

Radar Set	$ 2,000.00
Gas Tank	2,000.00
Diamond Jubilee	1,000.00
Fire Company	2,400.00
Automotive Equipment	5,000.00
Repairs-Council Chambers	2,000.00
Air Conditioning-Library	500.00
Door Closers	1,000.00
Walkie Talkies or Automotive Equipment	1,313.00
	$17,213.00

Revenue Sharing Budget EP-6

Machine Maintenance	$ 1,750.00

Mrs. Hazel Crider questioned the $2,000.00 for repairs to the council chambers. She pointed out that it was her understanding that with the recent changes there would not be a great amount of further expense involved and she feels the building looks pretty nice. With the economic situation as it is, she felt this money could be better spent elsewhere. She asked what repairs council planned to do.

Councilman Holt explained that one of the main changes proposed is to relocate the air conditioner and fan so that they can be used during the warm weather and people still be able to hear what is taking place during meetings. As it is now, the fan and air conditioner have to be cut off in order for people to be able to hear.

Councilman Davis stated that there are old pipes, etc. in the room that need to come out. A lot of people use the council chambers besides the council. We will also be having visitors this summer due to the Diamond Jubilee Celebration and he personnally feels we should have one room that looks nice and gives a good impression. He also pointed out that with some minor repairs, the room will be more resourceful.

As there were no other persons present wanting to present their views, the Public Hearing was adjourned.
