Public Hearing
June 23, 2003
6:30 P.M.

A Public Hearing to receive citizen comments regarding the FY 03-04 budget was held in Council Chambers on June 23, 2003, with Mayor Wayne E. Printz presiding. The following Council members were present:

PRESENT	ABSENT
J. T. Dean	P. Workman
C. H. Murphy	
T. Pence	
L. Sigafoose	
R. L. Snow	

Faye Vickers, Treasurer, Richard Pullen, Chief of Police, Todd McCoy, Director of Public Works/Zoning Administrator, and Richard Carey, Clerk of Council, were also present.

Lee Dearing, 124 North Street, was reassured by Mayor Printz and Council member Snow that the Economic Development line item was not earmarked for the reactivation of the Elkton Downtown Revitalization Committee. Mayor Printz voiced his favor for an economic development "person" as opposed to a group.

Mike O'Neill, 425 East Rockingham Street, spoke in favor of replacing the mercury vapor lighting throughout the Town with yellow sodium lighting, as that type lighting penetrates fog.

Todd McCoy named the Capital Projects for the 03-04 budget:

- ISTEA
- Sewer Plant Renovations
- Lift Station Renovations
- Possibly a generator at the well, plus a fence
- Council will name the projects for Street Maintenance money
- Elkwood loop and pump station
- Well purchase

Mr. McCoy explained that DEQ mandated that water be chlorinated and then dechlorinated before being returned to the environment. The grit collector will also have to be replaced.

As there were no additional comments, the meeting adjourned.
